The background of the slide is a composite image. It features a large, semi-transparent hand in the center, with fingers spread, holding a globe. The hand is positioned over a city skyline, which is visible through the transparency. In the foreground, there are several people in business attire, some looking out a window and others talking on mobile phones. The overall color palette is light and airy, with a warm glow from the sun or a light source on the right side.

**Thank you!**
